Dear Sir:

Your petitioner, Macronix International Co., Ltd., having a place of business at 16 Li-Hsin Road, Science-Based Industrial Park, Hsinshu, Taiwan, R.O.C., by its attorney, Kenton R. Mullins, of record in the above-identified application, represents that it is the assignee, as shown by the assignment recorded in the U.S. Patent and Trademark Office on November 14, 2003 at Real/Frame 014739/0297 (2 pages), of the entire right, title and interest in and to the above-identified application.

Pursuant to 37 CFR 3.73(b), your petitioner, as assignee of the above-identified application, hereby states that the above-noted assignment, the evidentiary document on which ownership of the above-identified application is established, has been reviewed. Further, your petitioner hereby certifies that, to the best of your petitioner's knowledge and

belief, title to the above-identified application is in your petitioner, as assignee seeking to take the action in this Terminal Disclaimer.

Your petitioner, Macronix International Co., Ltd., hereby disclaims the terminal part of any U.S. patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term as presently shortened by any terminal disclaimer of U.S. Patent No. 6,665,095 and hereby agrees that any U.S. patent so granted on the above-identified application shall be enforceable only for and during such period that said patent is commonly owned with U.S. Patent No. 6,665,095, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term as presently shortened by any terminal disclaimer of U.S. Patent No. 6,665,095 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer, except for the separation of common ownership stated above.

Dated this 19th day of December, 2006.

Respectfully submitted,

  
Kenton R. Mullins
